5.0 INFORMATION SESSION/SESION DE INFORMACIÓN

5.1 LCAP Goals Review/Repaso de metas LCAP

5.2 LCAP Goal 3 Update/Actualización de Meta LCAP 3

Mr. Sommer explained how we are using "The Nest" to meet the needs of our struggling students, ELs, and SWDs.

Ms. TV, a lead TA, presented on how lessons, groups, and assessments were created and how the Nest moves students in and out of intervention.

A parent asked about how we choose the students that are in intervention - it was answered by Mr. Sommer and Ms TV about the use of i-Ready diagnostic data to identify the students who are in need and the areas they need help in. We move students out of intervention once they have mastered the skills they were needing.
